

Kia Ora Talofa Lava Welcome

Thank you for your support for our Teacher Only Day on Monday. The learning that occurred with our teachers on behaviour techniques bringing restoration to hurts and helping young people take accountability for their actions was fantastic. We will share with you our findings over the term and have the facilitator back for a parent information session in Term 2.

The year has started well with our changes to teaching spaces and how we learn. We will run more sessions on this practice for parents later in the term. Please don't hesitate to ask your class teacher or share any concerns you have.

Please be aware that the start and end of the day at school are the times where classes come together as a community to set expectations for the day and to share learning at the end of it. The major portion of the day is more structured where targeted learning takes place. We also plan on some open days coming up so you can observe this Practice. Our staff and children observed one minute silence today in remembrance of those who lost their lives in 2011.

We also plan on having a mufti day in the coming weeks with the proceeds going to The Volunteer Fire Service. We have certainly had our challenges in Christchurch but it is an exciting place to live and the future for us is bright.

Regards  
Scot Kinley

We have the latest form for Ngāi Tahu registered descendants to apply for free tuition. Please see the Office for these or come and talk to us about it.

**BROMLEY FAIR THIS SATURDAY**  
25TH FEB 11AM TO 2PM AT BROMLEY
