

BROMLEY SCHOOL

"Learning for an Exciting Life"

NEWSLETTER AUGUST 17th 2016

Kia Ora, Talofa, Welcome.

I know we can sometimes take things for granted and not appreciate the little things we have grown accustomed to. I met a lady from Germany last week and she told me one of the things she loves about New Zealand is the Sky. Really,,,,, the Sky??

Apparently we have the clearest blue sky in the world (small exaggeration) who knew?? Anyway, it is often nice to stop and appreciate all the good things we have.

From time to time we don't communicate as well as we would like or things can get lost in translation. Recently there have been a few minor things that we need to revisit , remind or renew. We will look at these as a staff and inform you if there are any significant changes. I also invite you to share any questions or concerns you may have with your child's teacher, a Senior Leader in the area of the school (Leonie Phillips P3 , Rebekah McLeod R 9, Al Cron R 13 ,Tim Kunowski R 14) Ms Jo Nicholls (Deputy Principal) or myself.

Some areas that have come to light recently are.

- Use of toilets at playtimes. We do have the Portacom toilet open all day for use but there is also the toilet block in Room 7&8 open. Please remind your child of this. We are looking into whether this is adequate at break times.
- After school pick up. If ever Parents are late for some reason please remind children to head back to the office and inform us so we can guarantee their safety.
- Road Crossing. Around schools traffic can be nothing short of chaos. Please ensure your child uses the crossing or crosses under your direct supervision if there is no crossing. There have been a few near misses lately and the outcome of an accident is unthinkable.

Regards

Scot Kinley
