# BROMLEY SCHOOL NEWSLETTER

---

Kia Ora, Talofa, Welcome.

## BROMLEY SCHOOL ZONE

Bromley School is set to be zoned in Term Three of this year in Week 2, Monday 31<sup>st</sup> July.

This process has been quite drawn out and very stressful for us as a school community. If you have any concerns with how this may affect you please make a time to see me and discuss this. I do know that any brothers and sisters of current students attending will still be able to attend Bromley School.

If you know any families that are intending to come here in the future, please urge them to check the zone map on our website when it becomes live or contact the school for further details.

The final zoning map has yet to be signed off from the Ministry so I am unable to publish it at this stage but will do so immediately that happens. We do have a draft copy at the school office if you wish to see what it is likely to be.

Regards

Scot Kinley
