

# Bromley School

Week 10 Term 2 2018

## From the Principal

Kia Ora, Talofa Lava, Welcome.

The last week of the term is here and we have passed the shortest day and that is reason enough for celebration. I hope the open evening and any interviews held this week were worthwhile and encouraging for you all. Please don't hesitate to contact your child's teachers if you need to discuss any part of their learning journey over the year.

Thank you all once again for your support over this term, we really do appreciate it. As we head into Term Three we will no doubt be at our most challenged with the reduction of play areas and spaces to meet due to our rebuilding. The good news is we have been advised that we will receive our new hall and the return of our old hall for the beginning of Term Four so our major disruption should be only last for one more Term.

Drainage and building works outside of the fenced off area will happen over the holiday break so most of the school will be inaccessible during this period. MASH will be at the Bromley Community Centre during the holidays every day except for the second Tuesday.

Enjoy your break

Scot Kinley
