

February 1st 2017

BROMLEY SCHOOL NEWSLETTER

"If you want to go fast, go alone.
If you want to go far, go together."

Kia Ora, Talofa Lava, Welcome.

We look forward to an amazing year for our brilliant children at Bromley School. Our staff are 100% committed to supporting, nurturing and teaching our children skills and attitudes to help them achieve.

The School rebuilding plan will begin later in this year.

As you may have noticed we have already started this process with the modification to our classrooms to align with our teaching practice that will see the teachers working in teams of two with the children.

Please feel free to chat with your child's teacher at an arranged time if you would like more understanding on this.

Our main School focus for 2017 will continue to be Mathematics and Restorative Practice.

We continue to strive to be a high performing School in all areas of the Curriculum with a strong focus on our School's 5 Values.

Zoning remains uncertain for Bromley School but we have been told it is likely to take place at the start of Term 2. Please see me if you have any concerns about this.

We now have a SCHOOL VAN kindly sponsored by Dave Diggs Motors. We are so blessed to have the use of this van and wish to thank him for his generosity.

The class block that was occupied by Ferndale has become our New Entrant block. As a result the car park beside it will not be used for vehicle parking which means our main car park could be very full. Please do not use it as a drop off or pick up zone as happened last year.

Most of our School information can be found on our school website: www.bromley.school.nz

I hope you are well rested and looking forward to 2017. We so appreciate your support and always welcome your feedback.

Regards
Scot Kinley

Important information:

Waitangi Day Monday 6th Feb. School closed.

Teacher Only Day for Teacher Training:
Monday 20th Feb. School Closed

Many planned events in the Sporting and Cultural areas for this year. More details to follow.

We send information out on Facebook which is on our website but we are not able to respond to questions.

Learning Workshop for our Children in Te Reo and Kapa Haka

One of NZ's leading exponents in Maori Culture will be doing this workshop with our children.

See attached sheet.

Absences - please remember to phone or text the office if your child is away:
