

Bromley School

Week 2, Term 4, 2018

Kia Ora, Talofa Lava, Welcome

I hope that you all managed to enjoy some of the beautiful weather over Labour weekend and are well rested.

I looked over the school calendar during the weekend to try and find a free full day to hold a special meeting and was a little shocked to see that there are hardly any days without some internal or external activity on between now and the end of the year.

Accordingly, the majority of the school newsletters will hopefully set out specific dates and activities for your reference. If you are unclear please check with the office or your child's class teacher.

SCHOOL PHOTOS TUESDAY 30 OCTOBER.

Please try to remember to have children in full school uniform for this day

CAMPS Year 5/6 Woodend Camp this Wednesday- Friday
Year 4 Camp next Thursday & Friday at Living Springs

BIG DAY OUT Year 3. Thursday 8 November

CANSAIL Year 5/6 Friday 9 November

SHOW DAY Friday 16 November.

With regards the building project it is now very easy to see the scale of the work being undertaken. Timelines do have a habit of shifting with a job of this magnitude so I am a little wary of making definitive statements of completion. We do hope to have the hall floor ready for use in late November as well as the other class blocks available but it may be a day by day wait and see with this. I am therefore very hopeful that we will be able to hold final assemblies in the new hall in December.

Regards

Scot Kinley

CHANGE TO BUS ROUTE

From Monday 29th October the 145 Westmorland – Eastgate bus route that some students may be using to travel to and from school will no longer operate.

We would be grateful if you could share this information with your students and parents to help us ensure all affected residents are aware of the changes and no students are unable to coordinate alternative travel to and from school on Monday.

More information on the route changes is available at <http://www.metroinfo.co.nz/promotions/Pages/Bus-routes-changing-from-Monday-29-October.aspx>

Kind regards

Claire Fletcher
